Ski winter 2026/27: holiday apartments on the Gerlitzen Alpe and Turracher Höhe

Two ski areas, two altitudes — with a garage at the Kanzelhöhe and a private sauna at 1,763 metres

Himmelberg, 7 October 2026. For the 2026/27 winter season Luxescape GmbH offers holiday apartments in two Carinthian ski areas: on the Gerlitzen Alpe near the Kanzelhöhe at 1,440 metres and on the Turracher Höhe at 1,763 metres.

On the Gerlitzen Alpe the apartments No. 2.302 Alpenblick and No. 2.306 Alpennest are in the same building, each about 50 m² for up to six guests. The ski school and practice area are a few minutes' walk away, and each apartment comes with a free underground parking space.

On the Turracher Höhe the chalet apartment Almzeit offers 77 m², two bedrooms and room for up to eight guests. It has a private sauna with shower and a large terrace; slopes and ski school are close by. Thanks to the altitude and snowmaking the season usually runs from late November into April.

The winter offers apply from 5 December 2026 into April 2027. Free dates and prices are shown in the booking calendar at www.luxescape.at; bookings are made directly with the host.
